### Is InjuryFone a Good Fit for My Practice?

Our sincere goal is to keep our attorneys happy for many years to come. Accordingly, we encourage all interested attorney to do their homework well before their phone starts ringing with potential InjuryFone clients.

Asking other attorneys about their experience with InjuryFone is a great way to help determine if the program is a fit for you and your practice.

### May I Speak with a Current Customer?

Several of our early customers have graciously offered to answer questions from attorneys interested in InjuryFone. Please feel free to reach to out to these attorneys with any questions that you might have.

Like you, these attorneys are very busy running and building their practices, so please be respectful of their time. ☺
